Subaru is committed to the safety and protection of our drivers and the ones they love. As part of that commitment, we've made it easy to learn more about the Takata airbag inflator recall — the largest recall in automotive history, currently affecting vehicles across the industry — and how your Subaru may be impacted. Subaru launched the third generation Japanese and world-market Legacy in June 1998, while the North American model was introduced in May 1999 for the 2000 model year. In all markets except for the United States, production lasted through 2002, with a limited production Blitzen model sold mid-cycle under the 2003 model year in Japan.
