I recommend flushing (using the BG powered machine that cycles through the gears under power), or at least changing as much of the transmission fluid as possible every 30k miles. The Nissan Skyline (Japanese: ?????????? Nissan Sukairain) is a line of compact cars, sports cars and compact executive cars originally produced by the Prince Motor Company starting in 1957, and then by Nissan after the two companies merged in 1967. After the merger, the Skyline and its larger counterpart, the Nissan Gloria, were sold in Japan at dealership sales channels ...
