

Download Food Manager Certification Texas Study Guide

The Food Manager Certification is required by law in multiple states. California, Arizona, Virginia, Maryland, and Florida, among others, all require that at least one person per establishment holds a valid Food Protection Manager Certificate by an accredited program. Training Guarantee: If you do not pass the first time, we will pay for your seat to attend our next training class and student will also qualify for a significantly discounted retest rate. Valid for instructor-led class registrations. Valid only for full tuition registrations registrations, which requires the purchase of the PFS study package. Professional Manager Food Safety Training eFoodManagers presents the Texas Food Managers Certification – 100% Online. This program is Approved by the Texas Department of State Health and valid for 5 years. Get certified from the convenience of your home or workplace with Learn2Serve's Texas Food Managers Certification program. Our online Texas Food Manager's exam is regulated and monitored by the Texas Department of State Health Services.
