

# Download Jaguar Xjs 1949 Workshop Manual

You can also use this parts book to find out which parts on your car interchange with other years and models covered in this book. This manual covers 1965-1968 Jaguar XKE 'E' Type models. On this page are all the adverts placed for classic Jaguars, grouping together ads that can be found on the existing individual Jaguar model pages. To view any of these ads in full, or place your own Jaguar advert, simply visit the specific model page that interests you. On there you'll find all the ads for that particular model only, and also the form to complete if you have something for ...

The Jaguar XK6 is an inline 6-cylinder dual overhead camshaft (DOHC) engine produced by Jaguar Cars between 1949 and 1992. Introduced as a 3.4-litre, it earned fame on both the road and track, being produced in five displacements between 2.4 and 4.2-litres for Jaguar passenger cars, with other sizes being made by Jaguar and privateers for racing.
