

Download Psychiatry History And Physical Template

STANDARD PSYCHIATRIC HISTORY AND PHYSICAL What follows are the essential elements of the initial psychiatric work-up. Although very similar to the evaluations performed by other fields of medicine, the history and physical (H&P) described below is modified and expanded in certain areas to meet the specific needs of psychiatry. Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behaviour, cognition, and perceptions. See glossary of psychiatry. Initial psychiatric assessment of a person typically begins with a case history and mental status examination. Physical examinations and psychological tests may be ... Anti-psychiatry is a movement based on the view that psychiatric treatment is more often damaging than helpful to patients. It considers psychiatry a coercive instrument of oppression due to an unequal power relationship between doctor and patient and a highly subjective diagnostic process. It has been active in various forms for two centuries. file:///C:/Documents%20and%20Settings/BOB/My%20Documents/CLASSES/Biomed%20370/articles/Hx_and interview is to gather sufficient information to establish a ...
