Avila faves: Transferring from a small community college, interaction between students and professors was a very important factor in the university I picked. Avila professors and advisers often went above and beyond to help. They took the time to answer simple questions or to put me at ease about some of the unknowns that the future holds. Applying virtue ethics to business: The agent-based approach. By: John Dobson [] It can be argued that the presence of what are in a slightly old-fashioned terminology called virtues in fact plays a significant role in the operation of the economic system.
