Vivitar was an American distributor of photographic equipment from 1938-2008. Originally founded under the name Ponder & Best, Inc., the company was established in Santa Monica, California in 1938 as a distributor of photographic products by Max Ponder and John C. Best. Later they began selling rebranded gear under the Vivitar name and eventually began designing and, in a few cases ...Original review: April 11, 2017. My 8 yr old son just got a camera for his birthday and was thrilled. Now he is so sad because the camera a Vivitar Vivicam 54 that he received is broken and he ...
